INDIANA UTILITY  
REGULATORY COMMISSION  
**CAUSE NO. 42842**

**APPROVED:**

You are hereby notified that on this date the Presiding Administrative Law Judge makes the following Entry in this Cause:

On April 20, 2005, Indiana Michigan Power Company and Northeastern Rural Electric Membership Cooperative (collectively "Joint Petitioners") filed a *Verified Joint Petition to Modify Service Area Boundaries* ("Joint Petition") with the Indiana Utility Regulatory Commission ("Commission"). Pursuant to Indiana Code 8-1-2.3-6(2), the Joint Petition seeks Commission approval of the electric service area boundary changes to which Joint Petitioners have mutually agreed. Indiana Code 8-1-2.3-6(2) allows the Commission to approve without a hearing a request for change of boundary lines by mutual agreement if notice of the request is published in a newspaper of general circulation in the county in which the boundary lines are located and no affected customer requests a hearing within twenty days of when the notice is published.

The Joint Petition states that notice will be published in a newspaper of general circulation in Allen County, Indiana. As evidence that the notice was published and that a Commission Order would be issued no less than twenty days after publication of the notice, Joint Petitioners should file with the Commission a copy of the newspaper's Proof of Publication that is relevant to the notice requirement in this Cause.

**IT IS SO ORDERED.**
